>Subject: Your Use of Sports to Teach Inner City Youth

>

>>Dear Bud:

>>

>>Arnold Zellner put me on to the work you are doing for inner city

>>youth. Would you be interested in writing up a short article,

>>perhaps for AMSTAT NEWS, about your pro bono efforts, so that your

>>example is contagious.

>>

>>As ASA President this year I urged all of us to take on a pro bono

>>obligation. Your efforts are a wonderful way to do that!

>>

>>Best, Fritz
